

The Theodosian Code

Unfortunately we cannot supply the reader with the English version of the Theodosian Law Code for the pagan Roman Empire compiled in AD 438 due to copyright infringement, however this very important work may be purchased from the publisher¹ or through an inter-library loan.

¹ Pharr, Clyde, trans. *The Theodosian Code and Novels and the Sirmondian Constitutions*. In collaboration with Theresa S. Davidson and Mary B. Pharr. Union, NJ: Lawbook Exchange, 2001.
